2010 Crown Isle Men's Spring Scramble

April 10th & 11th

It is that time again where 4-man teams from all over Vancouver Island, Mainland Vancouver, Alberta and Australia converge on Crown Isle Resort to compete in our Men's Spring Scramble. Last season saw the home team of Jason Andrew, Dave Yanick, Dave Terry and Brad Thomas of Crown Isle Golf Resort (Finally ...after 8 previous heartbreaking losses) running away with the victory over a fast finishing team of Paul Dashkwytych, John Robertson, Doug Petrie and Justin Howard.

Now don't be too concerned if this is the first time you have heard of this event. You don't need to stack your team with Tour quality players to compete for the cash. Teams that enter this event are divided into four flights based on the combined total of the team's lowest three handicap indexes. ***Any teams with a Golf Professional(s) are automatically put into the 'A' Flight.***

Team entry is \$1200 (\$300 Per Person). ***All Winnings are paid out in cash, therefore cash is the preferred payment option for entry fees.***

Included in the event are the Super Sweepstakes, Skins game and Mystery 18. As in 2008, our Sweepstakes competition will be based on the two day total for each team in each flight. Monies contributed from the entry fees will only be paid out within each flight that they are raised. Meaning.... ***Your team will only be competing against teams within your allocated flight.***

The 2010 team entry includes 2 competitive rounds of golf (With Power Cart), Sweepstakes, Skins, Mystery 18, dinner following Saturday's play, lunch following Sunday's play and loads of prizes both skill and draw.

Special accommodation rates will be available for those competing in the event. We have a limited number of Villas for those teams wishing to stay at the Resort so book early. For Villa availability and special pricing please contact Gord Vandendriessche in our Group Department at (250) 703-5027 or groupsales@crownisle.com
